## Volunteer of the Month: Kevin Owen

This month, we awarded Kevin Owen with the Volunteer of the Month prize for his unending dedication to several local clubs within The Outdoor Partnership. He is a member of both Dyffryn Conwy Paddlers and Snowdonia Canoe Club where he regularly kayaks.

Kevin is a passionate kayaker and dedicated to his sport and jumps at the chance to assist with any events. Kevin was integral during the Anglesey heats of the North Wales Schools kayaking competitions, even taking time off his work in order to assist with the running of the day. He was safety boater for the competition which meant he was on the water in blustery conditions for the whole day.

Each competitor took part in both an individual sprint race and a team slalom relay race.

The winners from each heat were then put through to the final which was held at Llyn Padarn in which the finalists...

The Ysgol y Moelwyn kayaking team has been very successful recently, representing South Gwynedd in the final of the North Wales 5x60

It is obvious the scheme was a success and that the boys made the most of their time...
